From: NEW YORK

To: MOSCOW

No: 588

29th April 1944

On 27th April UMNITsA[i] reported as follows:

"After ZVUK's[ii] death, RULEVOJ[iii]

[15 groups unrecovered]

on RULEVOJ's instructions. ZVUK

[41 groups unrecovered].

PEL[iv] used to meet R.[v] before meeting me. In future if R. permits my meeting with PEL [4 groups unrecovered] R..[vi] Even ZVUK used not to meet P.[vii] more often than once in six months."

Possibly she is making this up and exaggerating. At least [3 groups unrecovered] exclusive control of[a] the PROBATIONERS[STAZHERY] and expressed[b] an unreasoning ZhIVOTNYJ] fear [D% that] we will contact them direct. It is essential that either MAKSIM[viii] or I should see R. and come to an agreement: that the whole group and UMNITsA

AMT[ix].

[7 groups unrecovered]

group:-

KRAMER[KREJMER][x], PERLO[PRLO][xi], FLATO[FLATO][xii], GLASSER[GLAZER][xiii],
Edward FITZGERALD[EDUARD FITSDZHERALD][xiv] and others in a group of 7 or 8
FELLOW COUNTRYMEN[ZENLYAKI][xv][c].

UMNITSa talked with AMT and PERLO. They told her that this group was neglected
and that nobody was interested in them. KRAMER is the leader of the group. All
occupy responsible posts in CARTHAGE[KARFAGEN][xvi].

[20 groups unrecovered]

AMT and PERLO

[29 groups unrecoverable]

NEIGHBOURS[SOSEDI][xvii]. For more than a year KANSIM and I tried to get in
touch with PERLO and FLATO. For some reason or other RULEVOJ did not come to
the meeting and has just decided to put U.[xviii] in touch with the whole group.
If we work with this group it will be necessary to remove her and [2 groups
unrecovered].

Recently I met PERLO by chance in ARENA's[xix] flat.

For your information: I have never met RULEVOJ

[7 groups unrecovered]

No. 312

MER[xx]

Notes: [a] Literally "full monopoly over".

[b] Or "express". The group represents either 3rd person singular or
3rd plural.

[c] If it is assumed that a conjunction or punctuation has been omitted
after "others", the passage could be interpreted as:
"... in the group there are 7 or 8 FOLLOW COUNTRYMEN".

Comments: [i] UMNITSa: i.e. "CLEVER GIRL"; Elizabeth BENTLEY.
[ii] ZVUK: i.e. "SCUND"; Jacob GOLOS, who died in
November 1943.
[iii] RULEVOJ: i.e. "HELMSMAN"; Earl BROWDER.
[iv] PĚL: Cyrillic transliteration of English word "PAL";
Nathan Gregory SILVERMASTER.
